

Connecticut's Syringe Service Program (SSP) Virtual Institute: SMASHING the Silos – HIV/HCV in CT December 10-11, 2020

Thursday, December 10th
Friday, December 11th
10:00 AM - 1:00 PM

THIS IS A FREE EVENT!

OBJECTIVES

- Review best practices for Connecticut CBOs, and HDs in harm reduction and SSPs
- Discuss race and other intersectional aspects of identity that impacts HIV and HCV care, services, and prevention
- Understand how stigma and discrimination impact people who use drugs
